

## KALAMAZOO AREA RUNNERS (KAR) CLUB CHAMPIONSHIP SERIES

### 2019 Event Calendar

Club Championship Series events offer a discount to KAR members (except as noted) using the 4-digit KAR membership code at registration. Most events using a RunSignUp registration platform apply the discount automatically. For more information, visit [www.kalamazooarearunners.org](http://www.kalamazooarearunners.org). Club Series age group awards will be presented to the top 3 in each age division, male and female, at the Club Series Awards Celebration on November 12, 2019. Time points are added for each runner's best 9 races. Points for each race are determined as follows: Time points = winner time/runner time \* 100.
